PIRATES OF THE CARRIBEEN - ON STRANGER TIDES (M)

From Disney and producer Jerry Bruckheimer comes all the fun, epic adventure and humor that ignited the original. Johnny Depp returns as Captain Jack Sparrow.

In a tale of truth, betrayal, youth, demise – and mermaids – Jack crosses paths with a woman from his past (Penelope Cruz) who's searching for the Fountain of Youth. Forced aboard the ship of the most feared pirate ever, Jack doesn't know who to fear more – Blackbeard (Ian McShane) or the woman from his past. It's filled with eye-popping battle scenes, mystery and all-out wit.

WILD TARGET (M)

Bill Nighy, Emily Blunt, Rupert Grint and Rupert Everett co-star in a very British remake of classic French comedy.

Nighy is Victor Maynard, a solitary hit-man with a peerless reputation in the business and who is still susceptible to the odd emasculating dressing-down from an over-bearing and equally lethal mother.

A contract to 'rub out' a young art thief named Rose (Emily Blunt) further ruffles his equanimity, as Victor finds himself increasingly bemused by her chutzpah. Nighy's versatility is used to terrific effect in this unexpectedly moving dramatic comedy.
